MOCK EXAM

Password: rwu123

Once you have downloaded the Exemplify Software you should take a mock exam. Please take a mock exam at least one week prior to your first scheduled exam. Completing a mock exam will help identify any computer issues prior to exam day and will ensure that you are familiar with the exam software and its features.

MOCK EXAM 2022 New

Question 1: Multiple Choice Practice Question

Question 2: Multiple Choice Practice Question

Question 3: Essay Question

Exemplify has several features including Word Count and Character Count. To see word count click the Icon to the right of *Essay Answer*, located at the bottom of the answer box. For this question type into the answer box and then locate the Word Count and the Character Count.
